## Daejeo Ecological Park

Let's hit the road heading to Daejeo Ecological park which is the place where you can enjoy natural learning, ecological study and even leisure. This is

a place centered around Nakdong river estuarine wetland, beloved by residents and tourists as a place of relaxation with nearby ecological park. It is also designated as the 179th natural monument(Nakdong river estuarine migrant Sanctuary). Canola flower complex of 370,000 square meter and cherry blossom complex of painting the spring season into pink color – these are the local specialties making Daejeo Ecological Park more splendid in April. Through 'Busan Nakdong River Canola Flower Festival' and 'Nakdon River 30-ri Cherry Blossom Festival', which are held every year in spring, let's make beautiful memories.

- The surrounding area at 2314-11beon-gil, Daejeo 1 dong, Gangseo-gu, Busan 051-971-6011
- Get off Deunggu station ▶ Transfer to the bus No.307 at the Deunggu town bus stop ▶ Get off at the Sinduk three-way intersection bus stop, and walk about 10 minutes on foot

삼락생태공원

## Samnak Ecological Park

As a part of reorganizing businesses for the riverside of Nakdong River, Samnak Ecological Park is provided for the feeding places of migrant birds. Diverse sports facilities such as ball park for adults, soccer field,

tennis court, cycling arena, basketball court, and badminton court, in addition to Samnak Riverside Sports Park, are provided. There is Samnak Swamp Eco Park nearby. You can feel the nature in the middle of the city at Samnak Marsh Eco Park through a ditch reed colony, lotus complex, rice paddy experience center and pond including those aquatic plants.

- 686, Samnak-dong, Sasang-gu, Busan 051-303-0048
- Gwaebeop Renecite station(riverside park) exit No.1 ▶ Head to Gwaebeop bridge three-way intersection, walk to Samnak Ecological park about 12 minutes

## Airport Station 공항역

The station of Busan Gimhae LRT building is located in front of the domestic flight of the Gimhae Airport. Convenient facilities, such as audio guiding device, the gate for disabled, and the taxiway for the blind are well-furnished.

**Connecting bus to the airport station :** Use exit No.1 - shuttle bus No. 13 (Hadan↔Dukcheon) / seat bus No. 307 (Haeundae↔airport) / express bus No. 1009 (Geumgok↔Gadukdo) / airport bus (Haeundae↔airport, Ulsan↔airport, Busan station↔airport)

불암장어마을

## Buram Eel Town

Buram eel town is well-known for Gimhae food alley. This place is the attraction of all attractions where broiled eels specialty stores are concentrated, so called 'Buram Eel Alley'. There are about 40 eels specialty stores, and Buram Broiled Fresh Water Eel, the main menu, is famous for its fresh taste around the region through word-of-mouth. We recommend eels cooked with salt for those who want savory taste of eels. One of the main factors which increase the good taste of Buramdong eels is all sorts of sauces and spices used with more than 10 hours of ripening. You must not miss the eel dish accompanied with eels' soup during Gimhae trip.

- Singman-ro 348beon-gil, Gimhae-si, Gyeongsangnam-do
- Buram station exit No.1 ▶ Walk up to the Buram eel town about 12 minutes

## Gimhae Astronomical Observatory 김해천문대

The unique form of the observatory shows the shape of the mountain incubating an egg, which was motivated from the fact that king Kim, Suro was born from the egg. It is assumed that Queen Huo might have sailed up to Gimhae by following stars, through which we can see Gaya had a deep connection to the star. Let's try to make a precious memory to experience mystery and beauty of the space at the Gimhae astronomical observatory.

## Bonghwang-dong Ruins 봉황동유적

Bonghwangdong ruins are the biggest living sites of Gaya kingdom, registered the 2nd historic site. Through the regular excavational investigations, their cultural value have increased. The ruins are also the site that most ruins called 'Gimhaetog(earthware)' were excavated than any other sites. Besides, ironwares like axes, hand knives and prickers, like Thagomizer, were excavated. You can clearly see the southern style of lid stone of dolmen through Bonghwang ruins.

## Love Story of General Hwangse and Maiden Yeoeui

The maiden ChulYeoeui, the daughter of Chuljunseung of Garak kingdom, was promised to be engaged with Hwangse, the son of Hwangjeungseong. However, Hwangse defeated Silla army and married with princess Youmin in honor of the victory. The maiden Yeoeui missed Hwangse and passed away in a young age. Hwangse also missed the maiden Yeoeui, fell sick, and died. Afterward, it is said that princess Youmin became a Buddhist monk at the Youmin mountain(Imho mountain).

## Street of Gaya 가야의 거리

The Street of Gaya, newly built up along Haeban stream, is the main scenery of the city center, connecting Suro royal tomb and Guji Peak. By walking along this street, where the past and the present are co-existing, let's enjoy the nature and the identity of Gimhae. Especially, 'the Bell of Gimhae citizens', which you can meet on the street, is constructed for Gimhae citizen's wills for peace and development of Gimhae. About 35,000 names of donation depositors are carved on it, which makes it more meaningful.

# Royal Tomb of King Suro station

수로왕릉

## Royal Tomb of King Suro

Royal Tomb of King Suro is a representative cultural ruin of Gimhae, also called as Namneung. It is a place that you can feel dignity of king

Suro who was progenitor of Kim and Heo of Gimhae, and Lee of Incheon. The tombstone on the left side of the royal tomb has a sun pattern carved, and it is a common figure in India, Huo queen's nation. 18,000 pyung of land around the royal tomb is designated as a royal tomb park, and we recommend you to check its opening hours before visiting.

## Royal Tomb of Queen Suro 수로왕비릉

The Tomb of Queen Huo, princess of Ayoota kingdom in India, who became the queen of Suro in 48 B.C. , is placed here. She gave birth to 10 sons of King Suro. It is said that she gave her family name Huo to two of them and Huo of Gimhae could be descended by that. Queen's hometown was a sacred place of Hinduism. A lot of 'double fish' patterns, with two fish carved on both sides, can be seen easily. It was a symbol of ancient Babylonian faith that fish is a highly intelligent being protecting humans.

## Gimhae : remembered with festivals

가야문화축제&김해예술제

### Gaya Cultural Festival & Gimhae Art Festival

ChunhyangDaeJe (March 15th by the lunar calendar), which is to perform ancestral rites to King Suro who established Garakguk, the spiritual root of Gimhae, is considered a representative festival in Gimhae. Especially, the festival of this year has consolidated with Gimhae art festival to make tourists spend fruitful time. Gimhae art festival, which creates artistic talents, is scheduled to begin at Daeseongdong Ancient Tomb region during the

Gaya cultural festival period. Let's participate in the 5-day journey of two festivals in harmony to meet Gimhae.

40<sup>th</sup> Gaya cultural festival period : April 20<sup>th</sup> (Wednesday) ~ 24<sup>th</sup> (Sunday), 2016

김해분청도자기축제

### Gimhae Buncheong Ceramics Festival

Let's go to Gimhae Buncheong Ceramics Festival, the fantastic arts of earth and fire. This festival to celebrate Buncheong celadon, which is praised for a true Korean beauty, is a place to shed new light on the rough, but

liberal stylishness of the 15~16 century's life celadon, and to meet the only beauty of Buncheong celadon.

 [festival.buncheong.net](http://festival.buncheong.net)

진영단감제

### Jinyeong Sweet Persimmons Festival

Since 1985, this festival, with a long history, starts from a unique rite for wishing for rich farming and citizen's welfare, leading to traditional performances, such as Kyonggi folksong, and traditional dance. Moreover,

varied programs, like eating, peeling, and piling sweet persimmons, are arranged in order to publicize the excellence of sweet persimmons.

 [www.dangam.or.kr](http://www.dangam.or.kr)

## Gimhae : outstanding pleasure of eating

### Janggun Tea 장군차

The name of Janggun tea is derived from two stories - the story of Heo, the Queen Suro, who brought the seeds from India, and the story of King Chungnyeol, who named the tea 'Janggun' after spotting the tea trees in Geumgangsang temple. Janggun tea of Gimhae region is proud of its outstanding quality as it is selected for Korea's best tea of the year for seven years in a row since 2008, as well as the highest prize in the World Tea Forum.

**Gimhae Janggun tea agricultural association** : 155-9, Dongbuk-ro 473beon-gil, Sangdong-myeon, Gimhae-si, Gyeongsangnam-do ☎ 055-321-1252

### Jinyeong Sweet Persimmon 진영단감

Jinyeong is the place where surrounding mountains protect from the effect of sea breezes and typhoons. Therefore, this place has become the perfect environment to produce delicious sweet persimmons from its unique quality of soil. Jinyeong sweet persimmons is definitely the representative fruit in Gimhae with its exceptional sugar content and mineral concentration.

**Gyeongnam sweet persimmon gardening Nonghyup** : 23, Yeorae-ro, Jinyeong-eup, Gimhae-si, Gyeongsangnam-do ☎ 055-343-2020

**Jinyeong Nonghyup** : 185, Jinyeong-ro, Jinyeong-eup, Gimhae-si, Gyeongsangnam-do ☎ 055-345-7711

### Raspberry 산딸기

When it becomes June, Sangdong region becomes filled with raspberry. This is because when the fertile soil from the downstream of Nakdonggang River and enough sunshine meet, the condition to cultivate raspberry becomes optimal. The seeds embedded in the scarlet berries look very tempting. Let's meet other products utilizing raspberry such as wine and vinegar.

**Gimhae Sangdong Nonghyup**: 570, Sangdong-ro, Sangdong-myeon, Gimhae-si, Gyeongsangnam-do ☎ 055-323-6401

### Chilsan Oriental Melon 칠산참외

Oriental melons cultivated in the pure and clean Gimhae plain are proud of the best sweetness and quality with Q.C mark certification. Abundance of sugar contents, maintaining 17-18 degrees on average, is higher than any other general melons.

**Chilsan oriental melon village** : 238, Chilsan-ro 179beon-gil, Gimhae-si, Gyeongsangnam-do ☎ 055-323-6401
